In compliance with Section 23 of the Education (Welfare) Act 2000, the Board of Management of Feakle National School has prepared and made available a Code of Behaviour for its Pupils, Staff and Parents.

The Code of Behaviour details:

2. The whole school approach in promoting positive behaviour;
3. The measures that shall be taken when a pupil fails or refuses to observe those standards;
4. The procedures to be followed before a pupil may be suspended or expelled from the school concerned;
5. The grounds for removing a suspension imposed in relation to a pupil
6. The school's Anti-Bullying Policy; and

The Code of Behaviour of Feakle National School has been developed in accordance with '*Developing a Code of Behaviour: Guidelines for Schools*', National Educational Welfare Board, 2008.

2. POLICY FORMULATION

In formulating this policy the Board of Management completed the following steps;

- i. Parents and Staff were informed that an initial draft of the Code of Behaviour was available and they were invited to make submissions on the content of the code within a specified timeframe.
- ii. Class teachers were requested to discuss the topic of 'rules' with their classes and submit a list of pupils suggestions to the Principal.
- iii. The initial draft of the Code of Behaviour was reviewed and where appropriate amended in-line with the feedback received.
- iv. The finalised draft of the policy was submitted for the Patron's Approval.

3. AIMS & OBJECTIVES OF THE CODE

The aims and objectives of the code are:

- To allow the school to function in an orderly way where children can make progress in all aspects of their development

- To ensure the safety and well being of all members of the school community
- To assist school staff, parents and pupils in understanding the systems and procedures that form part of the code of behaviour and to seek their co-operation in the application of these procedures
- To ensure that the system of rules, rewards, and sanctions are implemented in a fair and consistent manner throughout the school.

4. WHOLE SCHOOL APPROACH

The Board of Management recognises the importance of creating consistent values, policies, practices and relationships that support the Code of Behaviour. Such an environment may only be formed by involving the entire school community and in this respect the Board acknowledges the importance of the roles played by, the principal, teachers, ancillary staff and parents in the review and operation of the Code.

It is the Principal's responsibility to ensure the school's Code of Behaviour is administered in a manner that is consistent and fair to all pupils. However each staff member has responsibility for the maintenance of discipline within common areas of the school.

Teaching staff are specifically responsible for the management of behaviour within their own class.

They will:

- Discuss the Code of Behaviour with their class in an age appropriate manner at the beginning of the school year.
- Ensure the rules are displayed in the classroom.

5.3 Parents/Guardians

Parents/guardians play a crucial role in shaping attitudes in their children which produce positive Behaviour in school. Should a parent/guardian be concerned about any aspect of their child's behaviour they are welcome to make an appointment to discuss their concerns.

In cases of an identified pattern of misbehaviour parents will be invited to participate in the intervention process.

6. PROMOTING POSITIVE BEHAVIOUR

As a general rule the school will endeavour to create an environment where positive Behaviour is reinforced through praise and reward. School staff will use encouraging language and gestures, both in class and around the school, so that positive Behaviour is instantly recognised and positively rewarded. Special attention will be paid to pupils who have previously been associated with poor Behaviour so that not only good Behaviour but also improvement in Behaviour is acknowledged.

A reward scheme for promoting positive behaviour will be used. Such rewards may include;

Level One

Level 1: Behaviours

Level 1 behaviours are those that interfere with the orderly learning environment of the school, classroom, and common areas. Students learn through their mistakes. To this extent, responses to the daily behaviours, which occur in school, will be developmentally appropriate, instructive and positive. Children will be taught what is expected and how they should behave. Listed below are some examples of the types of Behaviour that are included in Level 1. Please note the list is not exhaustive.

- Failure to prepare for class, as defined by individual teachers
- Book/copies left at home etc.
- Distracting others
- Interrupting teacher
- Interrupting other pupils
- Wandering about classroom
- Fidgeting/Inattention
- Wasting time deliberately
- Disrespectful language, tone
- Cheeky/ answering back
- Slovenly work
- Sulking
- Misbehaviour in teacher's absence
- Homework not completed
- Reprimand exercise not done
- Homework notebook not signed, when requested
- Have temper tantrums.
- Throwing objects thoughtlessly in classroom
- Running in the hallways
- Ignoring staff requests

Level 1: Disciplinary Actions

Consequences for Level 1 behaviour are dependent upon the severity and frequency of the specific behaviour. Teachers will discipline students at level 1. Some examples of Level 1 responses are:

- Verbal reprimand/reminder(s)
- Reasoning with pupil
- Reinforcement of alternative positive behaviour
- Temporary separation from peers, friends or others and/ or removal to another class/ or during break
- Prescribing additional work
- Loss of privileges
- Referral to Principal/Deputy principal

- Informal parent contact
- Behaviour contract
- Unfinished homework completed at week-ends

Level 1 Supportive Interventions

Listed below are some examples of Level 1 supportive actions:

- Classroom-based interventions, such as Open Circle or class meetings, with the option of informal consultation, (e.g. with parent(s)/guardian(s) or staff members)
- Discussion of behaviour with the child
- Informal notes regarding incident/intervention/date. This information would be useful should a problem persist.
- Enlisting the support/involvement of parents/guardians.

Level Two

Level 2: Behaviours

Level 2 behaviours are those that seriously interfere with the orderly environment of the school and are potentially dangerous to the safety and well-being of the students and staff. Listed below are some examples of the types of behaviour that are included in Level 2. Please note the list is not exhaustive.

- Repeated instances of Level 1 behaviour which have not been modified by intervention
- Behaviour which is dangerous to self or others (e.g. shoving, pushing, hitting)
- Intentionally damaging school or personal property

Level 2: Disciplinary Actions

The disciplining of students for Level 2 behaviour is dependent upon the severity and frequency of the specific behaviour and developmentally appropriate levels. The disciplinary actions at Level 2 are administered by the Principal, and include the formal notification of parents, with written documentation. Some examples of Level 2 responses are:

- In school supervised detention
- Report submitted to the Board of Management
- Meeting with parent(s)/guardian(s)
- Suspension from school of one to five days, depending on the severity of the Behaviour

Level 2: Supportive Interventions

Listed below are some examples of Level 2 supportive actions:

- Team conference to include classroom teacher, other involved staff, Assistant Principal or Principal.
- Request for assistance from external agencies such as the National Educational Psychological Service, Health Service Executive Community Services, the National Behavioural Support Service, Child and Adolescent Mental Health Services, National Council for Special Education.
- Referral of a Child displaying behavioural problems for psychological assessment (with the parent(s)/guardian(s) consent).

Level Three

Level 3: Behaviours

Level 3 behaviours are considered the most serious violations. These behaviours endanger the immediate health, safety and personal well-being of the pupils and staff of the school. They represent a direct threat to the orderly operation of the school environment. Situations, which include illegal activity, may result in contact with the Garda Síochána after parental involvement. Listed below are some examples of the types of behaviour that are included in Level 3. Please note that the list is not exhaustive.

Specific information about due process and procedures in respect of the issuing of a suspension is contained in this document. Level 3 responses:

- **Suspension from school for one to five days:**
This response will occur with the first incidence of Level 3 behaviour or Level 2 behaviour of significant severity. The Principal following due process and procedure, can issue a suspension.
- **Suspension from school for five to ten days:**
This response will occur with the repeated incidence of Level 3 behaviour or a severe expression of this Behaviour. A suspension of this magnitude will only be issued with the approval of the Board of Management.
- **Expulsion:**
Repeated incidents of Level 3 behaviour can result in a pupil being expelled.

8. PROCEDURES FOR SUSPENSIONS & EXPULSIONS

8.1 Suspension

Definition of Suspension:

‘requiring the student to absent himself/herself from the school for a specified, limited period of school days’

Developing A Code of Behaviour: Guidelines for Schools, National Educational Welfare Board

Authority to Suspend:

The Board of Management of Feakle National School has formally and in writing delegated the authority to impose an ‘**Immediate Suspension**’ to the Principal Teacher. An ‘Immediate Suspension’ may be for a period of one to three school days depending on the severity of the specific Behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

The Board retains its authority to suspend a student in all other cases/circumstances.

Immediate Suspension and Automatic Suspension

An ‘**Immediate Suspension**’ will be deemed to be necessary where after a preliminary investigation the Principal reaches the determination that the continued presence of the pupil in the school at the time would represent a serious threat to the safety and wellbeing of pupils or staff of the school. An ‘Immediate Suspension’ may be for a period of one to three school days depending on the severity of the specific Behaviour, in exceptional circumstances and with the approval of the Chairperson of the Board the suspension may be for a longer period but in any event will not exceed 5 school days.

In no circumstance will a student be sent home from school prior to his/her parent(s)/guardian(s) being notified. Formal written notification of the suspension will issue in due course, but no later than 2 school days after the imposition of the suspension. Such a notification will detail:

- the reasons for the suspension
- any study programme to be followed
- the arrangements for returning to school, including any commitments to be entered into by the pupil and the parent(s)/guardian(s).

The Board of Management acknowledges that the decision to impose either an Immediate or Automatic Suspension does not remove the duty to follow due process and fair procedures. In this regard, and following a formal investigation, to be completed no later than 2 school days after the incident the Board will invite the pupil and his/her parent(s)/guardian(s) to a meeting to discuss;

- the circumstances surrounding the suspension,
- interventions to prevent a reoccurrence of such misconduct.

The Board of Management of Feakle National School acknowledges the fundamental importance of impartiality in the investigation process. In this regard the following undertaking is given;

- the duration of the suspension and the dates on which the suspension will begin and end
- the reasons for the suspension
- any study programme to be followed
- the arrangements for returning to school, including any commitments to be entered into by the pupil and the parent(s)/guardian(s)
- the provision for an appeal to the Board of Management.

11.1 Best Practice in the Prevention of Bullying Behaviour

The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:

- A positive school culture and climate which-
 - is welcoming of difference and diversity and is based on inclusivity;
 - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
 - promotes respectful relationships across the school community;
- Effective leadership;
- A school-wide approach;
- A shared understanding of what bullying is and its impact;
- Implementation of education and prevention strategies (including awareness raising measures) that-
 - build empathy, respect and resilience in pupils; and
 - explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying.
- Effective supervision and monitoring of pupils;
- Supports for staff;
- Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
- On-going evaluation of the effectiveness of the anti-bullying policy.

11.2 Definition of Bullying

In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools, DES, 2013*.

11.3 School Contact Personnel

The relevant teacher(s) for investigating and dealing with bullying is (are) as follows:

- Relevant mainstream teachers
- Deputy Principal
- Principal

11.4 Education & Prevention Strategies

The education and prevention strategies (including strategies specifically aimed at cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying) that will be used by the school are as follows:

- The SPHE curriculum, including the Walk Tall and Stay Safe programmes and also resources from the PDST Technology in Education are used throughout the school to support the anti bullying policy.
- Positive self-esteem is fostered among the pupils by celebrating individual differences, by acknowledging good behaviour and by providing opportunities for success.
- Pupils are helped to develop empathy by discussing feelings and by trying to put themselves in the place of others.
- Teachers respond sensitively to pupils who disclose incidents of bullying.
- The school's anti-bullying policy is discussed regularly with the pupils.
- Staff are particularly vigilant in monitoring pupils who are considered at risk of bullying/ being bullied.
- All disclosed incidents of bullying are investigated.
- Members of the BOM are familiar with the school's policy on bullying and actively promote it on a repeated basis among staff, parents and pupils.
- Parents contribute to and support the school's policy on bullying by encouraging positive behaviour both at home and at school, by being vigilant for signs and symptoms that their child is being bullied or is bullying others, by communicating concerns to the school.

11.5 Investigation & Follow-Up Procedures

The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows:

- I. All incidents of bullying will be recorded in an incident book which will be retained in the school.
- II. Pupils will be informed that when they report incidents of bullying they are acting responsibly.
- III. A calm unemotional problem solving approach will be used to deal with bullying.
- IV. Incidents of bullying will initially be dealt with by the class teacher. Incidents that are of a serious nature, or those that involve pupils from a number of classes will be referred to the Principal.
- V. On being informed of an alleged incident of bullying, the teacher dealing with the report will first interview the victim(s) and discuss the feelings which the victim(s) experienced because of the bullying behaviour.
- VI. An interview will then take place with the alleged perpetrator(s). If the bullying involves a group of pupils, members of that group will first be met individually and then as a whole. Having discussed the negative impact which bullying has on both perpetrator(s) and victim(s) responsibility will be placed on all individuals within the group to resolve the difficulty and to take appropriate steps to ensure that it does not happen again.
- VII. If on the conclusion of the preliminary investigation the teacher is convinced that bullying has occurred the Principal will be informed and parent(s)/guardian(s) of all concerned will be contacted.
- VIII. Depending on the seriousness of the bullying some or all of Level 2 Supportive Interventions will be utilised.
- IX. Repeated incidents of bullying behaviour will result in the imposition of sanctions. Such sanctions will be proportionate to the seriousness of the bullying behaviour.

11.6 Working with Pupils Affected by Bullying

The school's programme of support for working with pupils affected by bullying is as follows:

- i. The primary aim for the relevant teacher dealing in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame).
- ii. In investigating and dealing with bullying, the teacher will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation may be resolved.
- iii. Non-teaching staff such as secretaries, special needs assistants, caretakers, cleaners must be encouraged to report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher.
- iv. It is very important that all involved (including each set of pupils and parents) understand the above approach from the outset.
- v. Teachers should take a calm, unemotional problem-solving approach when dealing with incidents of alleged bullying behaviour reported by pupils, staff or parents.
- vi. When analysing incidents of bullying behaviour, the relevant teacher should seek answers to the questions of what, where, when, who and why.
- vii. It may be appropriate or helpful to ask those involved to write down their account of the incident(s).
- viii. In cases where it has been determined by the relevant teacher that bullying behaviour has re-occurred, the parents of the parties involved should be contacted at an early stage to inform them of the matter and explain the actions being taken (by reference to the school policy). The school should give parents an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and supports for their pupils.
- ix. Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to get him/her to see the situation from the perspective of the child being bullied.
- x. It must also be made clear to all involved (each set of pupils and parents) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parents and the school.
- xi. Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- xii. Where a parent is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parents must be referred, as appropriate to the school's complaints procedures.
- xiii. In the event that a parent has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parents of their right to make a complaint to the Ombudsman for Children.
